

REVIVAL MINISTRY

Wednesday Minute "1 + 1 Does Not Equal 3", January 22, 2020

"But who am I, and who are my people, that we should be able to give as generously as this? Everything comes from you, and we have given you only what comes from your hand" 1Chronicles 29:14 NIV

Read: 1Chronicles 29:14-20

The games have begun! Politicians on both side demand they have the answers to all our nation's problems. We are not being taxed enough. The rich are too rich. The poor are poor because they will not work. The government can run health care better than your doctor. We could add another thousand sentences to the assertions from the left wing and the far right. Their 1 +1 math does not equal 3 and never will.

The truth is they are all wrong. There have been rich and poor for thousands of years. Government did not fix the problem then and it cannot fix it today. The problem is not the government. The problem is people signing over their rights to elected officials who are not doing the real will of the people.

When you can't trust politicians, who can you trust? GOD, no one but GOD. We are seeing the results of taking prayers out of schools and the division of the family unit which has been destroyed by the parents working more and more to have more and more material possessions. Our society is now more based upon material possessions than GOD.

Growing up, we did not have a television until the mid 50's and it was used. That was 5 years after TV signals were being broadcast from most major cities.. It was at least 6-7 years later before we had a color TV. Today, everyone feels they must have the latest cell phone every year. There are programs where the government will give you a new phone if you cannot afford one. Let me give you a clue. The government does not have any money. The government is simply taking your money and giving it to someone else.

Let me correct that last sentence. The government is taking GOD'S money and redistributing it. All money, all cars, all houses, all riches and yes all of everything belongs to GOD. GOD allows you to use all you need...to use it. When the politicians understand they are playing with GOD'S instructions that are laid out from Genesis through Revelation, then we will have hope. Until then, if then, this great nation will become a second class nation that is not dependent upon GOD.

Give this country back to GOD.

Today's Prayer:

"Thank YOU, LORD, for giving us more than we need. Forgive us for wanting more and more to satisfy our selfish desires.. Help us to understand the difference between what we want and what we need. Guide us on YOUR path to put YOU back in control. Amen "

Feel HIS Blessings!
