GOD Cares About The Little Things!", March 29, 2020

"Praise be to GOD, WHO has not rejected my prayer or withheld HIS love from me!" Psalm 66:20 NIV

Read: Psalm 66:16-20

When we see horrible things happen all around us, it is difficult to understand that GOD does care. In fact, we question and even blame GOD for not caring. When we do accuse HIM like this, we are elevating ourselves above GOD.

Little things matter. GOD wants to hear from us about everything...big things and little things. HE answers our prayers. When we expect GOD to answer our prayers, there is a realism in HIS answers. I had the opportunity of being a passenger in a car several times with a man who always prayed for a parking space near a building entrance. Over and over, he would always find a parking space very near the door. I questioned his deliberate prayers. He said the parking space was always available because he expected GOD would answer his simple prayer. He felt if he could not depend upon GOD to answer his little prayers, how could he depend on GOD to answer his big prayers.

Do you expect GOD to answer your prayers for what you think are the big things in life? How about praying for the little things that you feel could be easy for GOD to provide for you? By expecting answered prayers for little things, you are not making it easy for GOD. You see, all things you can pray for are big things for GOD. There is nothing little if you care and believe enough to bring it to HIM in prayer. To GOD there are no little things. All things are major things because you care enough to bring them to HIM.

Just as my friend always found a parking place in a crowded parking lot because he believed GOD would answer his prayers, he trusted GOD would also answer his big prayers.

GOD cares. Trust HIM to answer your prayers...all of them.

Today's Prayer:

"Thank YOU, LORD, for hearing all my prayers. Please forgive me for not trusting and believing YOU will answer my prayers. Forgive me for not bringing all my requests and needs to YOU on bended knee. Give me strength to take everything to YOU in prayer. Amen."

Feel HIS Blessings!
