Sermon In A Nutshell, "Waiting On The LORD", February 14, 2020

"But those who wait on the Lord shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint."

Isaiah 40:31 NKJV

All of us need to be revitalized from time to time. Life gets weary, while circumstances seem insurmountable and moving on seems impossible. It is easy to be discouraged when everything seems to go wrong.

Isaiah is writing a word of encouragement to the people of his day. In verses 29-30, he states the conditions. "HE gives power to the weak, and to those who have no might, HE increases strength. Even the youth shall faint and be weary, and the young men shall utterly fall." Note the two promises. He gives power and might. And he qualifies the recipients, to those who are weak and have no might.

Is this one of those days when you feel short on might--no strength? You qualify to be the recipient of GODS provisions. Trust HIM to be the provider for your need. There is a condition on the promise "WAIT on the LORD". In those moments when life seems to be tumbling in it is difficult to wait. We want a solution quickly. We want an immediate fix that does not always come on our time schedule. The promise is sure and GOD is never late or early but always on time.

I don't know what you may be facing at this very moment, but I do know whatever it is GOD can handle and will on HIS TIME schedule. Learning to rest in HIM is a discipline that is only learned through crises.

Remember Hebrews 13:5....“I will never leave you or forsake you... The LORD is my helper; I will not fear..”

Today's Prayer:

"Thank YOU, LORD, for having the perfect time for all things. Forgive me for my impatience and when I push ahead wrongly instead of waiting as YOU have told me to do. I want to grow stronger through YOUR strength. Amen."

Feel HIS Blessings!
